

# Château Les Croisilles, Le Croizillons

**2022**

## Region

Cahors, France

## Grapes

Malbec

## Tasting Notes

Dark plum and blackberry with that Cahors structure—tannins with purpose, savory edges, and a long finish. Cahors is one of Malbec's original homes (often called Côt locally), and this style is made for steak, burgers, and slow-cooked beef.

## Food Pairings

Pair with thick juicy steak, hearty burgers, slow-cooked beef stew, grilled lamb chops, or aged hard cheeses.
