

Colombaia, Vigna Nuova 2024

Region

Tuscany, Italy (VDT)

Grapes

Sangiovese, Colorino

Tasting Notes

Fresh, bright, and very much a pizza-night wine—cherry-driven, a little spicy, and snappy on the finish. Sangiovese brings that signature lift that makes you want another bite, another sip.

Food Pairings

Pair with pizza, tomato-based pastas, charcuterie, or grilled vegetables.
