

Domaine Courtault Michelet, Chablis

2023

Region

Chablis, Burgundy, France

Grapes

Chardonnay

Tasting Notes

Pure, crisp, and mineral—lemon, green apple, and that clean “wet stone” feeling. Chablis is known for its limestone-rich soils (often tied to the Kimmeridgian zone), and the result is that salty, precise finish that loves oysters and shellfish.

Food Pairings

Pair with oysters on the half shell, grilled sea bass, sushi, or fresh goat cheese.
