

Domaine Jolivet, L'Instinct Saint Joseph 2023

Region

Saint-Joseph, Northern Rhône, France

Grapes

Syrah

Tasting Notes

More focused and mineral than southern Syrah—pepper, dark berries, savory notes, and a tighter structure that feels sleek and serious. Saint-Joseph is one of the Northern Rhône zones where Syrah really shows its “violet + pepper + stone” personality.

Food Pairings

Pair with grilled steaks, roasted lamb with rosemary, aged hard cheeses like Comté or Manchego, or grilled portobello mushrooms.
