

Domaine Lalaurie, Alliance 2024

Region

Narbonne, France

Grapes

Sauvignon Blanc, Colombard

Tasting Notes

Bright and super refreshing—think lemon, grapefruit, and crunchy green fruit with a clean, snappy finish. Colombard is a classic Southwest grape for lively, high-acid whites, so this is an easy patio pick and a great match for seafood, salads, and anything with citrus.

Food Pairings

Pair with fresh oysters, grilled shrimp, tangy goat cheese salads, or citrus-dressed seafood ceviche.
