

Domaine Rijckaert, Arbois 2022

Region

Jura, France (Arbois appellation)

Grapes

Chardonnay

Tasting Notes

More savory and mineral than most Chardonnay—citrus, orchard fruit, and a stony, precise finish. Jura wines have a real cult following because they feel chef-y and distinctive, especially with food like roast chicken, trout, and cheeses.

Food Pairings

Pair with roast chicken with herbs, pan-seared trout, aged Comté and Morbier cheeses, or creamy mushroom dishes.
