

Domaine Rijckaert, Bien Élevé V.V. Bourgogne Aligoté

2024

Region

Burgundy, France

Grapes

Aligoté

Tasting Notes

Crisp, energetic, and totally food-friendly: lime, green apple, and a straight, mineral feel that keeps it tight and refreshing. Aligoté is famously used for a Kir in Burgundy, but here it shows off as a serious, zippy white for oysters, fries, and anything salty.

Food Pairings

Pair with oysters on the half shell, crispy French fries, grilled sea bass, or fresh goat cheese.
