2023

Region

Pouilly-Fuissé appellation within the Mâconnais subregion of Burgundy, France

Grapes

Chardonnay

Tasting Notes

Riper and more textured than a leaner Chardonnay—orchard fruit, citrus zest, and a smooth mid-palate with freshness holding it all together. Pouilly-Fuissé is one of Burgundy's Chardonnay sweet spots, and old vines often add that extra depth without making it heavy.

Food Pairings

Pair with buttery lobster, roast poultry in a cream sauce, aged Comté cheese, or grilled sea bass.
