

Domaine Rombeau, Le Botaniste Réserve

2023

Region

Languedoc-Roussillon, France

Grapes

Grenache, Syrah, Mourvèdre

Tasting Notes

Ripe, spicy, and generous—dark fruit, herbs, and a warm finish with real depth. Mourvèdre (also known as Monastrell in Spain) loves heat and tends to add structure and a savory, “serious” backbone.

Food Pairings

Pair with grilled red meats, roasted lamb, hearty stews, or aged hard cheeses.
