

Jonc Blanc, Fleur

2022

Region

Bergerac, France

Grapes

Sauvignon Blanc, Sauvignon Gris, Sémillon

Tasting Notes

Fresh citrus and herbs up front, then a rounder, softer texture from Sémillon that makes it feel complete.

Bergerac sits near Bordeaux and shares many of the same grapes, which is why these blends can feel familiar—but often at a friendlier price.

Food Pairings

Pair with seafood, salads, goat cheese, grilled white fish, or as an aperitif.
