

Mas De Figuier, Or Gris

2024

Region

Pays d'Oc, France

Grapes

Grenache Gris

Tasting Notes

Pale, crisp, and super refreshing—citrus, delicate stone fruit, and a dry, clean finish. Grenache Gris is a “grey/pink-skinned” version of Grenache, which helps explain that pretty pale color and bright, breezy style.

Food Pairings

Pair with shellfish, light salads, fresh goat cheese, grilled white fish, or as a refreshing aperitif.
